EDITION 5

Since its founding in 1977 The Baking Tin has developed into a major player in the industry supplying large and small businesses throughout South Africa. Our philosophy “business with integrity” has set a precedent and made the company an industry leader.

We specialize in servicing the baking, hospitality and catering industries and are able to offer a wide range of products that are not only competitively priced but also of exceptional quality. We are constantly updating our range of products and sourcing innovative items from around the world to meet our customer’s needs. As part of our service offering we provide delivery throughout South Africa.

In the Western Cape we have three retail stores in Claremont, Milnerton and our flagship store in Ottery. In addition to our retail stores we also offer online purchasing via our website.

100% COMPOSTABLE ECO-FRIENDLY PACKAGING

These Cocoa Cups are made from the cellulose coming from Cocoa Shells. The cellulose acts as the greaseproof barrier without the use of chemicals. This creates a unique aesthetic to this completely sustainable and biodegradable paper cup and a first of its kind. This Cocoa Paper is a perfect match for all natural food packaging.
